

## **AE Alzheimer's Association Academy (December 5-6, 2017)**

The AMYPAD project will be presented at a meeting in Brussels on 5-6 December 2017. Alzheimer Europe (AE) will host its third annual Alzheimer's Association Academy in order to update and inform representatives of its national organisations about important research and policy developments. Representatives from AE member organisations, expert speakers, company representatives and AE staff members will attend the meeting.
